## NEW LEADERS FOR COHUNA/LEITCHVILLE RSL

President Geoff Dale welcomed 18 members to our Annual Meeting held on Thursday 15th February. After reading his report, he stood down and did not seek re-election for 2024. John Brown took the chair and Vice President Trevor Powis was duly elected as incoming president with Bryan Roberts accepting the role of Vice President. Kathy Easton and Joy Crellin were elected again as Secretary and Treasurer for the coming year.

### Presidents Report (abridged)

It has been an honour to represent the Cohuna/Leitchville RSL Sub-Branch for the past 9 years. To my knowledge, I am the first non-service (affiliate) member to hold the position of President of our branch. With our Secretary and Treasurer also affiliate members, it is important that our and other sub-branches reach out to include affiliate membership and engage with the community in recruiting new members. I thank all the past secretaries I have worked with and have helped guide me through my role as President. My thanks to Secretary Kathy and Treasurer Joy, together with Ross and Glennis Bateman as Appeals Officers, for their time and commitment to their roles.

Lastly my thanks to everyone involved in our organisation, who have maintained such a high level of enthusiasm in the activities of our Sub-Branch, officials and informal.

**NEW MEMBERS and  
VISITORS WELCOME!!!**

## **The Cohuna Men's Shed is calling for more blokes!**

At about ten in the morning, as is their habit on a clear day, the Cohuna "blokes" sit beside their Shed enjoying a cup of tea - under a gazebo that one of the members, Jim, made with shade cloth and battening. It's cooler and more comfortable in the fresh air.

There are seven blokes here today: (photo L-R) Jim, Rob, Alan, Norm, Lionel, Trevor and Ken. All come from different backgrounds. Alan is a Shopfitter, Norm a woodworker, Jim a brickie, and Trevor, Ken, Rob and Lionel are dairy farmers.

They've lost a few members in the past twelve months, including Trevor Geysin, Charlie Raffin and Keith "Tag" Garner (who is remembered as knowing everything that was happening around town). The blokes attend every funeral.

Lionel and Trevor have been members of the Shed since its inception seventeen years ago. It started in the Red Brick Building beside the high school, where they had two rooms. They remember building cubby houses outside because there wasn't enough room.

The expansive, high-ceilinged Shed they have now is an impressive facility, full of worktables and tools. 'Not many have a Shed like this,' Trevor says proudly.

People think it's all about woodwork, but it's absolutely not. You can do anything you like - bring your own project if you have something you want to make, help out on something else, take over the garden (We need a gardener!), or just have a cuppa.

The blokes go on excursions regularly, to a range of places, including other Men's Sheds, the Spanner Man, the Barham Koondrook Historical Society and the Lake Boga Flying Boat Museum.

They try not to tread on any tradies' toes by taking on similar work, but welcome new jobs. Last year they relined a caravan and repaired some fiberglass canoes. They are keen for more work, so feel free to pop in with your broken chair, shabby old table or shattered toy. Every request will be considered. They repair and restore old furniture, help people assemble flatpacks and even help put a lamp together.

They say they are often surprised at what comes through the door.

Being part of the Men's Shed is about companionship, getting out of the house, keeping mentally healthy and having a laugh. Many men, especially after retirement, find themselves alone, often living in isolation and needing to connect with their community and find new purpose. Others just want to learn a new skill or revisit old ones.

Mateship is important - the Shed is a place for men to knock about with a group of like-minded mates.

And it's not just for older men. It's not just a shed full of tools and old blokes getting crafty with bits of wood. That is partly true, but that's just how the movement started. Younger men may have missed the opportunity to learn skills from their grandfathers but find themselves a mentor (or mentors!) at the Shed.

The blokes drink tea together every morning and admit to chatting for up to an hour, depending on what's on for that day - and the good news is - you are welcome to join them!

*They say men don't talk face to face, they talk shoulder to shoulder.*

## SELF-CARE HUB FOR CARERS

At the **Rights Information and Advocacy Centre** we understand how exhausting and overwhelming it can be to care for a child who is neurodiverse or lives with a disability. That is why, in collaboration with **Northern District Community Health**, we have created our Self-Care Hub for carers. The Hub is a place where you can relax among others who understand you. Fellow carers who experience the same struggles you do and staff who have lived experience of raising children with disabilities.

At the Hub you can try out a variety of activities aimed at reducing stress levels, such as – adult colouring, craft/art, kinetic sand and much more. Enjoy a massage from our visiting massage therapist or explore the benefits of art making with our visiting art therapist.

Or if you would prefer, enjoy a moment of quiet with a cuppa and cake.

**There is no cost and no need to register.** Arrive when you can and stay as long as is convenient.
